MOFFAT, TENN. Sept. 6, '76-tf. NOW IN PRESS.

Will be ready on May 1., 1877. Mississippi Justice of the Peace.

A MANUAL OF THE LAWS RELATING TO THE COURTS OF JUSTICES OF THE PEACE AND THE PRACTICE THEREIN, WITH FORMS AND PRECEDENTS, APPLICABLE TO EVERY CASE. INTERSPERSED WITH EXPLANATORY NOTES TO WHICH WILL BE ADDED CERTAIN FORMS OF GENERAL USE AMONG BUSINESS MEN; A DIRECTORY OF THE COURTS. AND OTHER DATA USEFUL FOR REFFPENCE.

THE design of this work, walch has been very carefully prepared by Judge L. O. Bridewell, of Copiah county, and which will supersede the FORM BOOK heretofore issued by the undersigned, is to impart to novices, genilemen not "learned in the 'aw above their ellows," the routine of business required of wom when they assume the responsible and then important office of Justice of the Peace. Inder the present Constitution of Mississip pi, the jurisdiction of Justices of the Peace in Civil Suits is raised to one hundred and fifty dollars, and in all criminal matters their jurisdiction is concurrent with that of the Circuit Courts In all cases where the punishment prescribed by the laws does not extend beyond assistance to the unlearned Justice Peace by placing the law relating to his juris-diction before him in compact form, with forms and precedents, covering almost, if not every case, which can come before him. Notes are added to many of the forms for the guidance and information of the Justice, endeavoring thereby to explain the law and use of the form, so that none, however ignorant of the law and their Baggage Free of Charge, to generally, can go far wrong. The lav, as found in the Code of 1871, and in the pamphlet Acts since, so far as it is disinctly applicable to the Justice of the Peace, or the practice in his Court, will be given full, in arranged under appropriate heads. The whole will be carefully and fully indezed. Altogether, we hazzard nothing in saying that it will be the most complete Manual for Justices of the Peace ever published in this, or, perhaps, any other State, and will be useful to every attorney, every public officer, every merchant, and indeed every citizen. As the work will not be stereotyped, and as the edition will be limited to the probable demand, those who would secure copies, should file their their orders without delay. The Mississippi Justice will make a volume of elements. JUSTICE will make a volume of about five hundred pages, will be printed on best quality of paper, and substantially bound. Price, by mail, \$3.00. Address,

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed.
